ISACA Global Gala Night and Conference

Each year ISACA recognizes outstanding contributions that advance our professional community and exemplify our purpose and leadership. ISACA recognises and celebrates chapters that exceed service goals by actively supporting local membership, and thus ISACA. This year ISACA Abuja Chapter, Central UK Chapter, Manila Chapter, Singapore Chapter, Sri Lanka Chapter and Toronto Chapter were celebrated at the ISACA North America Conference. The event took place from the 4th-6th of May in New Orleans U.S.A with a virtual reception held on May 25th. Enjoy pictures from the conference and gala night. This event was attended by Mr Emmanuel Omoke our Chapter President and Mr Glory Idehen, the Immediate Past President Abuja Chapter

In view of the recent award given to the chapter by ISACA HQ and other numerous achievements recorded by the chapter for the year under review, all plans have been concluded to host chapter members and guests to a world-class dinner and award night to celebrate our own.

This award/dinner night is meant to celebrate members, corporate brands and organizations for their various contributions to the development and growth of technology, cybersecurity and the economy. Save the date and get ready for the biggest celebration and networking event of the year.

ACADEMIC RELATIONS UPDATE

ISACA Abuja Chapter in line with its goals to engage with the academic community around us was proud to be a sponsor of the CYBER STARTERS CONFERENCE 2022. This took place at the Nile University Campus on Saturday the 28th of May, 2022 and was organized by Diary of Hackers (DoH), a Platform that focuses on Cybersecurity. This initiative responds to the urgent demand for trained Cybersecurity talent in Africa while recognizing the importance of providing students and enthusiasts with the knowledge, skills and insights needed to thrive in this important field.
