ISSUE2| VOL. 2 OCTOBER 2025

Greetings from ISACA Abuja Chapter! As we gear up for another impactful Community Day, we reflect on our journey, starting from humble beginnings to making a real difference in both cybersecurity and community development. This year promises to continue that tradition, with exciting activities and a chance to further our mission of promoting digital trust, mental health awareness, and community empowerment.

### ISACA Community Day - A Global Initiative

ISACACommunity Dayis a global movement where members of ISACA chapters across the world come together to give back to their communities.

Every year, volunteers unite on a single day to contribute to causes that are important locally while aligning with ISACA's mission of advancing global knowledge and the trust in information and technology. From environmental initiatives to digital literacy campaigns, ISACA members use their skills and passion to make a difference in countless ways.

Globally, this initiative has seen members from diverse fields, including IT, cybersecurity, risk management, and digital trust, collaborate on projects that have both immediate and long-term impacts. The aim is to create a ripple effect of positive change, ensuring that communities worldwide benefit from the expertise and dedication of ISACA professionals.

### **HOW DO I PARTICIPATE?**

ISACA chapters will be organizing local activities on 5 October for which you can sign up. Or, you can choose one of our "global" opportunities to participate independently (or with your family.) Some opportunities may be directly applicable to advancing digital trust, while others may be simply making the world a better place.

To help manage the process ISACA is using a volunteer sign-up tool called <u>Helper Helper</u>. You can create your free account by going <u>here</u> or by using the form to the right. Select your country/chapter in the "Team" menu to find ways your chapter is participating and select the time and opportunity that interests you. When you are done volunteering on 7 October, come back to Helper Helper to validate your time and be counted in our global impact. Download the participant instructions from the Toolkit to

walk you through setting up your Helper Helper account and tracking your participation.
